

# THE SCALAR WAVE ENERGY HEALING AND REGENERATION

## A Field-Matrix Chamber to Actualize Full Spectrum Health and Consciousness

By Lilli Botchis Ph.D.

Scalar fields have always existed. They are well known in astrophysics, geology, and hydrodynamics. A Scalar field is known as a fifth-dimensional non-linear field. Third dimensional laws of nature do not bind it. Scalar fields exist out of relative time and space, thus they do not decay over time or distance from their source. Thus scalar fields function in a self-referral and self-generating manner. They are unbounded and capable of passing through solid matter.

Quantum mechanical analysis of biological processes has revealed that biological systems are of a non-linear nature. When the human body enters a scalar field, the electromagnetic field of the individual becomes excited. This catalyzes the mind/body complex to return to a more optimal state that is representative of its original, natural, electrical matrix form.

Every cell in the human body when functioning at its maximum health potential ranges between 70-90 millivolts. Dis-ease and aging occurs when the cellular energy depreciates to levels below this range (e.g., cancer cells are low energy cells of 15-20 millivolts).

The human body has crystalline structures in every cell wall that are capable of holding a charge. Scalar fields are self-contained fifth-dimensional fields that spin on a fixed axis. Non-linear fields propagate throughout the body via the crystalline lattices of the elaborate collagen network. The shape of scalar fields is reminiscent of the multiple helical structure of DNA as it folds in on itself. Quantum Mechanical models describe subatomic particles that can store and carry biological information along helical macromolecules like DNA. This indicates that scalar energy is capable of imprinting itself in the DNA.

This presents a paradigm shift towards a new nonlinear regulatory network in the body with properties best described by quantum physics.

The HHF<sup>e</sup> Scalar Technology, Energy Enhancement System,<sup>TM</sup> produces zero point energy that is clinically proven to boost human cell regeneration, immune functions and neurotransmitter functions. Research conducted at the Max Planck Institute of Germany indicates that microorganisms exposed to scalar fields have increased activity of the RAD-6 gene, which codes for proteins involved in DNA repair. Scalar fields facilitate a bi-directional communication between the nervous and immune system as well as increase whole brain hemispheric functioning.

### Scalar Energy Benefits:

- ▶ Eliminate and nullify effects of negative man made frequencies in the body
- ▶ Increase covalent level of hydrogen atoms that hold DNA together
- ▶ Optimizing cellular energy levels to 70-90 millivolts
- ▶ Improve cell wall permeability maximizing nutrient uptake and cellular detoxification

- ▶ Balances two hemispheres of the brain = super learning
- ▶ Inhibits uptake of noradrenaline by PC12 nerve cells works as an antidepressant
- ▶ Stimulates the regenerative processes and DNA repair
- ▶ Anti-aging processes and maintenance due to unbounded relative time/space biological functioning
- ▶ Entrain the physiology to gain self-referral regenerative healing functions
- ▶ Increase creative intelligence and coherence physically, mentally, emotionally, spiritually, and psychically
- ▶ Catalyze heightened states of awareness and creativity
- ▶ Effects are cumulative
- ▶ Potential is unlimited due to the innate nature of this technology

—Actress Linda Gray of TV's Dallas

*Put a system around your bed!*

### GDV Bioelectrography Beograms

*"The GDV beograms before and after treatment with the Energy Enhancement System<sup>TM</sup> show significant, positive changes in the bio-energetic field."* —Dr. Sabina DeVita, GDV Trainer

**Above Left:** Notice the front view; uneven and opened areas near the face, neck, breasts. Blood circulation is problematic.

**Above Right:** Notice the changes in the field after time in the Energy System. The field is more symmetrical and together. The Life Force has more fluidity.

*"Scalar fields have a potential for increasing energy and reversing aging. They increase the connection between that universal energy which is limitless, without time and space, and your awareness of it, to use it in order to manifest whatever you want to manifest, whether it's health, wealth, or happiness."*

—Dr. Victor A. Marcial-Vega, M.D., John Hopkins Research Physician, Oncology

# ENERGY ENHANCEMENT SYSTEM™

The Energy Enhancement System™ Technology has already been presented at numerous National and International medical, scientific, and many other health conferences including the American Academy for Anti-Aging Medicine and the Radiation Oncology Committee Meeting. Dr. Victor Marcial-Vega, M.D., John Hopkins research physician, Professor of Oncology, has testified before Congress, and spearheaded clinical studies and research into this Energy Enhancement Technology.

Dr. Marcial-Vega and others have documented the following:

- ▶ elimination of detrimental fields including 60 cycle fields, radiation, and microwaves
- ▶ improvement of blood profiles proven by high resolution blood imaging and other tests
- ▶ detoxification, deep relaxation
- ▶ extraordinarily rapid post surgical healing
- ▶ vision improvement including retinal reattachment and eyesight restored
- ▶ relief from severe pain even in cases of metastasized cancers
- ▶ significantly increased energy and mental clarity with many other instances of enhanced health and well being
- ▶ major benefits to diabetics

The conclusion from Dr. Marcial-Vega's study was: *"It is my opinion that this is a powerful energy enhancer. It promotes a very deep state of ultimate relaxation, if we allow it, from which any type of healing can occur."*

A celebrity sportscaster, star player of San Francisco 49'er football and pro-golf fame, has been using the technology to assist in his recovery from a stroke. He was so impressed with the system that he had one installed around his bed.

The system, capable of emulating the energy transmitted in hands-on healing, was designed and developed by Sandra Rose/Michael over a period of 12 years, culminating in a multi-computer system generating extraordinarily bio-active life enhancing fields including scalar fields. These fields allow cellular regeneration and create right-left brain synchronization as proven with EEG testing. Sandra Rose/Michael, listed in the international Who's Who, a recognized Kahuna healer has taught holistic health worldwide for nearly 30 years and has recently returned from meeting with the heads of the Chinese government. She was featured on nationwide television in China where they plan to use her technology in clinics, and for the Olympics because of its ability to enhance performance and speed recovery from injury or stress.

Renowned scientist, Dr. S.K. Lee who holds medical and pharmaceutical patents, has presented the Energy Enhancement System™ to the deans of the universities, biophysicists, professors of medicine and heads of academic sciences in Korea with multiple installations there.

Dr. DeBoer of the Spine Institute, highly respected in the Palm Springs, California area says *"The Energy Enhancement System™ is a new technology that generates a therapeutic energy field that can raise the energy level of every cell in the body to its optimum level (70 to 90 millivolts), within a two hour therapy session. This is the most extraordinary technology I have seen in twenty years of practice as an Alternative Health Care Doctor. The results which have been obtained with this therapy are quite frankly miraculous!"* (Dr. DeBoer & Sandra Rose Michael were featured guests November 13, 2003 on the television show "The Talking Stick.")

The Energy Enhancement System™ has been featured on the "Beauty Show" which is to be airing as part of the In-Flight entertainment on all major airlines in the US and around the world. This show has recently been picked-up by Turner Broadcasting with plans to deliver the show to millions of homes on their cable television stations. Additionally, a new show called "Healthy Living" hosted by Linda Gray of television's Dallas fame will also be featuring the technology.
